

## Subject Index

A.A.E.P. can best serve, how the .....	58.	125
Abdominal paracentesis, use in diagnosis .....	64.	319
, surgery .....	58.	77
, surgery, technics .....	61.	205
Abnormal cervical conditions, their relationship to infertility....	66.	133
Acceleration of open wound healing by cartilage .....	65.	141
Accidental air embolism: a cause of death .....	69.	243
Accidental intracarotid artery injection: A cause of some immediate reactions to drugs .....	62.	281
African Horse Sickness .....	60.	115
African Horse Sickness .....	61.	131
Age determination of embryos and fetuses .....	67.	179
Air splints for the first-aid treatment of injuries .....	63.	99
Air transport .....	65.	33
Allergic reactions .....	69.	293
Alpha Tocopherol in the general field of fertility and reproduction .....	56.	27
American Association of Equine Practitioners, history of .....	64.	339
Anabolic agent, on the strength of bone and tendon, the effect of diet and an .....	71.	237
Analysis of lameness in the pelvic limb and selected cases .....	65.	223
Anemia, diagnostic test for Equine Infectious .....	71.	155
, preliminary studies in Equine Infectious .....	57.	37
, tests, U.S.D.A. position on Equine Infectious .....	71.	163
Anemias, diagnosis of .....	68.	31
Anesthesia .....	64.	153
, control of associated complications, a practical look at .....	71.	123
, chloroform and nitrous oxide .....	65.	141
, control of respiratory depression during and following .....	69.	315
, recent advances in .....	61.	153
, ether .....	57.	53
, ether, new portable unit in .....	62.	19
, glyceryl guaiacolate in .....	67.	171
, halothane and methoxyflurane .....	67.	273
, hypoxia, its prevention in .....	66.	179
, inhalation .....	59.	171
, local .....	57.	63
, method of intravenous .....	65.	325
, methoxyflurane .....	65.	329
, post-surgical liver damage following halothane ....	71.	137
, practitioner's approach to inhalation .....	71.	119
Angulation in the foal, X-irradiation of distal radial epiphysis for correction of .....	71.	253
Anorectic horses, tube feeding of .....	67.	75

Anti-inflammatory agent, preliminary report on a new non-steroidal .....	71.	293
Application of a fiberglass cast to forelimb .....	71.	269
, of a first aid splint .....	68.	97
, of a hernia clamp in standing animal .....	63.	99
, of plaster cast and plastic repair of the hoof.....	63.	237
Arteritis, viral and rhinopneumonitis .....	56.	35
Arthritis, degenerative of the shoulder .....	65.	359
Arthrocentesis, techniques in treating joint disease .....	71.	263
Arthrography of the fetlock .....	69.	221
Arthrotomy, of the fetlock, healing following .....	69.	233
Artificial insemination, and a Quarter Horse breeding program .....	62.	251
, and its application in equine breeding ..	65.	335
ASIF (formerly AOI) technique for fixation of fractures .....	68.	99
Ataxia, spinal .....	68.	147
, spinal .....	67.	133
Atrial fibrillation .....	70.	383
Auriculopalpebral nerve block: adjunct to diagnosis and treatment of ocular inflammations .....	63.	233
Automated orphan foal feeding .....	67.	65
Autopsy, in the field .....	63.	241
Avoiding and treating untoward effects of corticosteroids .....	69.	75
Bacterial and mycotic flora of normal conjunctival sac .....	67.	101
Ball a horse, how to .....	64.	131
Bandaging procedures, general .....	71.	347
Barker foals .....	61.	165
'Barker', 'Wanderer and 'Shaker Foal' syndrome .....	69.	309
Biochemistry as aid in track practice .....	66.	283
Blood parameters in racing Thoroughbreds .....	65.	71
Bone and joint disorders, pathogenesis of .....	60.	149
Bone and joint injuries, humane aspects and initial therapy of....	60.	149
Bone and joint surgery, contra-indications in .....	60.	149
Bone and tendon, effect of diet and an anabolic agent on strength of .....	71.	237
Bone cysts, periarticular subchondral .....	68.	245
, surgical and clinical management of subchondral ..	70.	195
, radiographic diagnosis .....	70.	185
Bone growth, (Shetland Pony) determined by orthopedic markers I. radius and carpus .....	68.	213
Bone properties and fracture propagation .....	69.	85
Bone screws as a method of immobilizing sesamoid fragments .....	70.	203
Bone sequestration: diagnosis, radiography and treatment .....	70.	161
Branding the foal, freeze .....	71.	147
Breeding farm problems: specialty panel .....	70.	471
Breeding, pasture .....	65.	335
Breeding program, Quarter Horse .....	62.	251
Breeding soundness examination in stallions .....	64.	305
Breeding time, optimum, follicle examination of ovaries in relation to .....	61.	89

Breeding, treatment in mares in a Standardbred stud, a five year study of the use of post- .....	71.	89
Bronchitis, Equine Tracheo-: microbiological and clinical aspects .....	58.	15
Brood farm practice, improved techniques .....	66.	155
Brood farm, preventive medicine as practiced on an equine .....	64.	29
Broodmare, panel .....	63.	175
, problem panel .....	64.	95
, questions and answers .....	71.	97
Broodmares, evaluation of fertility .....	68.	281
Brucella complex (CLZ) .....	70.	155
Brucellosis .....	63.	161
Calcium, effects of high dietary .....	70.	127
, metabolism in equidae .....	56.	5
, and phosphorus requirements .....	70.	117
, metabolism .....	69.	99
Cardiac arrhythmias, diagnosis and significance of .....	59.	143
Cardiology, correlative in the horse .....	62.	41
Carotid, intra-, injection .....	62.	281
Carpus in foals, variability of angular deformity .....	69.	47
Cartilage, acceleration of open wound healing by .....	65.	141
Castration of cryptorchid horses, diagnosis: improved method of .....	65.	295
Castration of the inguinal cryptorchid, standing .....	63.	99
Castration, standing .....	68.	239
Cerebellar hypoplasia and degeneration .....	67.	123
Cervical cultures in the mare, significance and interpretation of .....	66.	129
Cervix and its significance in early pregnancy evaluation of the mare, rectal examination of the .....	71.	73
Chloroform and nitrous oxide anesthesia .....	65.	141
Chronic alveolar emphysema .....	60.	119
, cough .....	60.	119
, lameness .....	71.	279
, laminitis, fatty liver syndrome .....	66.	275
Cleft palate .....	66.	41
Clinical application of the LDH zymogram .....	67.	109
, application of serum protein electrophoresis .....	68.	265
, briefs (practice tips) .....	62.	135
, cases selected .....	64.	325
, diagnosis of laryngeal hemiplegia .....	68.	227
, electrocardiography .....	66.	305
, observation of endurance horses .....	66.	13
, observations with use of Parvex in Standardbreds .....	57.	87
, and serologic relations in E.I.A. ....	66.	83
, significance of serum enzyme activities with particular reference to myoglobinuria .....	68.	81
, syndrome of liver disease .....	64.	113
C.L.Z. brucella complex of horses .....	70.	155
Cobalt, radioactive, in treatment of skin carcinoma .....	62.	77
Cobalt-60 irradiation to region of brain of the burro, effects of .....	62.	67

Colic, effects of, on microbial activity of large intestine .....	70.	321
, model and clinical evaluation of pentazocine .....	69.	31
, symposium .....	66.	263
Colics — their diagnosis and treatment .....	59.	69
Colitis syndrome .....	63.	25
Collaborative studies on E.I.A.: Ontario and Florida .....	67.	149
Colitis X .....	69.	371
Colorado epizootic of vesicular stomatitis: Observations on its effects, transmission and response to therapy .....	64.	289
Common injuries of the eye .....	61.	43
Comparative studies of Equine Encephalomyelitis caused by nematodes, viruses and mycotoxins .....	71.	173
Comparison of preanesthetics and effects, safety, and evaluation of halothane and methoxyflurane anesthesia .....	67.	273
Conformation and its relation to fertility .....	65.	335
Conformation, some relationships of, to lameness .....	70.	399
Congenital ocular anomalies in a group of nonsanguineous foals .....	62.	275
Conjunctival flap, use of the third eyelid as a .....	63.	99
, sac, bacterial and mycotic flora of the normal.....	67.	101
Contra-indications in bone and joint surgery .....	60.	149
Control of respiratory depression during and following anesthesia .....	69.	315
Consideration of some gastro-intestinal diseases .....	65.	61
Contracted tendons in foals, corrective appliance for .....	63.	91
Controlled medication in race horses .....	64.	25
Corneal lacerations and ulcers, treatment of penetrating .....	66.	45
Correlation between vaginal pathogens and intestinal bacterial flora in the mare with vaginitis .....	68.	105
Correlative cardiology in the horse .....	62.	41
Corticosteroids, avoiding and treating the untoward effects of....	69.	75
, effects of intra-articular, on carpal chip fractures .....	70.	405
, in endotoxic shock .....	65.	353
Corynebacterium infection .....	66.	53
Cough, the chronic .....	60.	119
Counter-irritation, subcutaneously induced .....	60.	25
Cranial nerve paralysis, observations on etiology of epistaxis and .....	65.	111
Critical tests and field studies with Parvex against parasites.....	57.	69
Critical investigation into protein supplements and nitrogen metabolism .....	69.	151
Cryptorchid castration, an improved method of diagnosis and....	65.	295
Cryptorchidectomy, recumbent .....	63.	99
Cryptorchid, inguinal, standing castration of .....	63.	99
Cunean tenotomy .....	63.	239
Custom-made cannon supports .....	64.	241
Cystitis syndrome .....	65.	65
Daily variation of the resting P.C.V. in racing Thoroughbred and the difficulty in evaluating effectiveness of hema- tinic drugs .....	71.	151
Defects in surgery .....	65.	311

Degenerative arthritis of shoulder joint following aseptic necrosis of humeral head in foals .....	65.	359
Dentistry .....	62.	235
Dentistry, routine equine .....	71.	353
Dermatological conditions .....	63.	147
Developmental horizons and measurements useful for age determination of equine embryos and fetuses .....	67.	179
Developments in control of piroplasmosis .....	69.	159
Deworming techniques .....	71.	341
Diagnosis and correction of false nostril noises .....	67.	315
Diagnosis of equine anemias .....	68.	31
Diagnosis and results of surgery in hemiplegia of the larynx .....	64.	185
Diagnosis and significance of cardiac arrhythmias .....	59.	143
Diagnostic nerve blocking .....	71.	357
Diagnostic radiology .....	62.	80
Diagnostic test for E.I.A. ....	71.	155
Diagnostic usefulness of transtracheal aspiration .....	71.	143
Diarrhea, foal, preventive therapy for .....	65.	57
Diarrhea problem, comparison of the .....	60.	81
Dietary management of rectovaginal surgery .....	66.	119
Digestive disturbances: diagnostics and indications for surgical intervention .....	70.	295
Discussion of insurance problems .....	59.	123
Disease threatening the United States .....	66.	73
Diseases, Equine — public health .....	58.	81
DMSO, observations on the therapeutics of .....	65.	371
Draping, surgical .....	66.	345
Dyspnea, inspiratory .....	60.	119
Early clinical diagnosis of pregnancy in mares .....	67.	197
Early fetal death and serum gonadotropin test for pregnancy....	70.	55
Ear resection, simple lateral .....	71.	35
Effect of diet and an anabolic agent on strength of bone and tendon .....	71.	237
, of ligation on neuroma development following neurectomy .....	67.	329
, of artificial lighting regimes on reproductive patterns in mares .....	68.	159
, of cobalt-60 irradiation to region of brain of the burro .....	62.	67
, of colic on microbial activity of equine large intestine .....	70.	321
, of high dietary calcium .....	70.	127
, of intra-articular corticosteroids and continued training on carpal chip fractures .....	70.	405
, of therapeutic levels of X-irradiation on immature bone .....	67.	221
E.I.A. and equine piroplasmosis, situation report .....	64.	311
E.I.A. tests, U.S.D.A. position on .....	71.	163
Electroanesthesia in equidae .....	64.	153
Electrocardiography and heart score concept .....	70.	363
, clinical .....	66.	305
, T-Wave variations in performance horses .....	70.	389

Electrolytes and fluids, .....	68.	39
Electrophoresis, serum protein .....	68.	265
Embolism, air, accidental, a cause of death .....	69.	243
Embryonic and perinatal losses .....	69.	121
, and perinatal mortality, program to reduce the incidence of .....	69.	141
Emphysema, chronic alveolar .....	60.	119
Encephalitis, Venezuelan .....	64.	235
, Venezuelan, situation report on .....	69.	383
, Western .....	67.	127
Encephalomyelitis, brief review of possible ecological factors involved .....	59.	91
Encephalomyelitis, caused by nematodes, viruses and myotoxins, comparative studies of equine .....	71.	173
Encephalomyelitis, Venezuelan Equine .....	71.	189
Endometritis in the mare, studies on pathogenesis of .....	69.	279
Endoscopic, trans-, cinematography .....	70.	239
Endotoxic shock .....	70.	309
Endurance horses, clinical observation of .....	66.	13
Epiphyseal lines, radiographic location of .....	66.	21
, maturity, radiographic survey of .....	67.	33
, stapling .....	63.	203
, stapling .....	63.	229
, stapling: surgical technique for correcting angular limb deformities .....	69.	59
Epiphysis for correction of forelimb angulation in the foal, X-irradiation of the distal radial .....	71.	253
Epistaxis and cranial nerve paralysis, observations on etiology of .....	65.	111
Equalizers for veterinary practice .....	60.	19
Equine Herpesvirus I: infection and control .....	69.	365
, hospitals .....	71.	11
, Infectious Anemia .....	69.	347
, Infectious Anemia, diagnostic test for .....	71.	155
, Infectious Anemia, Precipitin test for .....	65.	153
, Infectious Anemia, Preliminary studies in .....	57.	37
, Infectious Anemia symposium .....	66.	103
, movement and disease threatening the United States....	66.	73
, Piroplasmosis .....	62.	247
, Piroplasmosis .....	69.	347
, Piroplasmosis .....	71.	165
, Piroplasmosis and its diagnosis .....	65.	157
, Piroplasmosis, another emerging disease .....	62.	241
, sarcoid therapy .....	68	289
, spinal ataxia .....	68.	147
, tracheo-bronchitis: microbiological and clinical aspects	58.	15
, vaccinations .....	71.	345
Estrogen excretion in mares in relation to various reproductive states .....	69.	111

Ether anesthesia in horses .....	57.	53
, anesthesia, new portable unit in .....	62.	19
Ethics in Equine Veterinary Medicine .....	71.	301
Euthanasia, the humane way .....	71.	359
Evaluation of fertility in broodmares .....	68.	281
Evaluation of stallion fertility .....	68.	133
Examination of the equine heart .....	57.	11
Exhibit of horse shoes .....	69.	386
Experience with a complete pelletized horse feed .....	67.	51
Eye, Auriculo-palpebral nerve block .....	63.	233
, common injuries of the .....	61.	43
, some aspects of soundness examination relative to the ....	63.	121
Eyelid, plastic surgery of .....	64.	325
False nostril noises, diagnosis and correction of .....	67.	315
Farm layout and construction, veterinarian's view of .....	66.	57
Farrier science for the general practitioner .....	70.	43
Fatigue in trail ride horses, the treatment of .....	71.	39
Federal requirements for international and interstate shipment of horses .....	59.	17
Feed, pelletized .....	67.	51
Feeding of anorectic horses, tube .....	67.	75
Feeding, automated orphan foal .....	67.	65
Fertility in broodmares, evaluation of .....	68.	281
Fertility, conformation and its relation to .....	65.	335
Fertility, evaluation of stallion .....	68.	133
Fertility and reproduction, Alpha Tocopherol in .....	56.	27
Fertility, stallion semen characteristics for predicting .....	71.	53
Fetal death, early and the S.G. test for pregnancy .....	70.	55
Fetus and newborn foal, oxygen transport and adaptation in the	71.	81
Fetuses and embryos, age determination of .....	67.	179
Fiberglass cast to the equine forelimb, the application of a.....	71.	269
Fibrillation, atrial, in horses .....	70.	383
Fibulae, fracture of .....	56.	1
Field form for soundness examination .....	69.	169
Field surgery .....	63.	99
Film industry, practice in the Hollywood .....	60.	71
First aid splint, application of .....	68.	97
Fistulae, recto-vaginal, repair of etc. ....	62.	165
Five year study of use of post-breeding treatment in mares in a Standardbred stud .....	71.	89
Fluid therapy in the horse .....	60.	65
, in the severely dehydrated horse .....	64.	63
Fluids and electrolytes .....	68.	39
Foal diseases .....	61.	165
Foaling mares, veterinary assistance to .....	59.	83
Follicle examination of ovaries in relation to optimum breeding time .....	61.	89
Food and Drug activities, some .....	67.	155
Fracture fixation, ASIF technique for .....	68.	99

Fracture fixation, ASIF technique for .....	68.	171
Fracture propagation, bone properties and .....	69.	85
Fractured sesamoids, bone screws for .....	70.	203
Fractures, carpal, effects of corticosteroids on .....	70.	405
Fracture of the fibulae .....	56.	1
Freeze branding the foal .....	71.	147
Gastrointestinal diseases .....	65.	61
Gastro-Intestinal Tract, some drugs and therapy affecting the .....	61.	121
General bandaging procedures .....	71.	347
General principles in radiology and interpretation, I .....	61.	141
General principles in radiology and interpretation, II .....	61.	187
Genital tract neoplasms .....	71.	37
Glyceryl guaiacolate .....	68.	297
, guaiacolate in anesthesia .....	67.	171
Grayson Foundation, report from .....	59.	199
Guttural pouch, relationship to upper respiratory conditions....	70.	247
Guttural pouches, surgical drainage of the .....	63.	99
Halothane anesthesia .....	64.	153
Halothane anesthesia in the horse, post-surgical liver damage following .....	71.	137
Handle horses, all kinds, how to .....	70.	359
Heart, examination of .....	57.	11
, radiological technique for .....	65.	243
, score concept, electrocardiography and the .....	70.	363
, sounds, normal, and murmurs in the horse .....	62.	49
, s, soundness with reference to .....	63.	131
Helminth control, a practical .....	70.	233
Hematinic drugs, daily variation of resting P.C.V. in racing Thoroughbred and the difficulty in evaluating the effectiveness of .....	71.	151
Hematology as an aid in equine track practice .....	66.	159
, equine clinical .....	62.	107
, of foals .....	70.	37
, of the Racehorse and factors affecting interpreta- tion of blood count .....	70.	17
Hemoglobin and hemodynamics during physical training .....	65.	97
Hepatic insufficiency, recent advances in diagnosis of .....	60.	141
Hernia: implantation of polypropylene mesh in abdomen .....	67.	333
, clamp in standing animal, application of .....	63.	99
, umbilical .....	61.	165
, umbilical, surgical repair of .....	66.	253
Herpesviruses in diseases of the horse .....	68.	119
Herpesvirus I, equine, infection and control .....	69.	365
Hints, some, from practice .....	63.	99
History of American Association of Equine Practitioners .....	64.	339
Hollywood film industry, practice in .....	60.	71
Hoof, application of plaster cast and plastic repair of .....	63.	237
, capsule, measuring of strain in .....	66.	293
, repair, plastic, post-operative results of .....	65.	41
, repair with plastics .....	63.	137

Horse shoes, exhibit of .....	69.	386
Horse show, specialty panel .....	70.	459
Horses' hearts with reference to soundness .....	63.	131
Horsesickness, African .....	60.	115
Horsesickness, African .....	61.	131
Hospitals, equine .....	71.	11
How the A.A.E.P. can best serve .....	58.	125
How to handle horses, all kinds .....	70.	359
Humane aspects and initial therapy of bone and joint injuries....	60.	149
Hypoxia, prevention in inhalation anesthesia .....	66.	179
Idiopathic thrombocytopenic purpura .....	65.	353
Improved method of diagnosis and castration of cryptorchid horses .....	65.	295
Immunology in the equine species .....	69.	251
Improved techniques in brood farm practice .....	66.	155
, technique in sarcoid removal .....	71.	45
Improving radiographic quality, the easy way .....	70.	83
Industry round table .....	71.	221
, your .....	71.	69
Infarction, intestinal .....	64.	35
Infectious anemia .....	69.	347
Infectious anemia, clinical and serological relations .....	66.	83
, collaborative studies on, Ontario and Florida .....	67.	149
, equine, preliminary studies in .....	57.	37
, in the horse .....	59.	63
, precipitin test for equine .....	65.	153
, symposium .....	66.	103
, in Texas, a practitioner's experience with ....	59.	59
Infectious diseases of the foal .....	61.	165
Infertility: infected mares, problems involving .....	58.	101
Inguinal cryptorchid, standing castration of .....	63.	99
Inhalation anesthesia .....	59.	171
Injuries, common, of the eye .....	61.	43
Insemination, artificial .....	65.	335
Inspiratory dyspnea .....	60.	119
Insurance problems, discussion of .....	59.	123
Internal parasites .....	69.	351
Intestinal infarction .....	64.	35
, obstruction based on field observations, significance of low P.C.V. in relation to early diagnosis of .....	71.	309
, obstruction, laboratory and clinical determinations in management of the horse .....	70.	343
, trichomoniasis .....	63.	19
Investigation of healing following arthrotomy of equine fetlock .....	69.	233
Investigations on effect of intra-uterine inoculations of streptococcus zooepidemicus in the mare .....	69.	289
Irradiation treatment of equine sarcoids .....	62.	65
Iso-Hemolytic jaundice .....	61.	165
Isoniazid in equine therapy .....	71.	33

Issuance of soundness certificate, ethical and medico-legal considerations — scope, wording and distribution .....	69.	175
Jaundice, Iso-Hemolytic .....	61.	165
Joint and tendon lesions, radiation therapy of .....	66.	325
, disease and lameness, patho-physiology of .....	66.	229
, disease, anthrocentesis techniques in treating .....	71.	263
"Kleenex Trick" or how to ball a horse .....	64.	131
Laboratory and clinical determinations in management of horse with intestinal obstruction .....	70.	343
Laboratory tests for equine practitioner and their interpretation .....	58.	37
Lameness, .....	62.	191
, .....	64.	259
, .....	65.	251
, .....	69.	377
, chronic .....	71.	279
, correctable through shoeing and nutrition, some causes of .....	71.	247
, pathology of .....	63.	45
, in the pelvic limb .....	65.	223
, prevention of .....	70.	67
, some relationships of conformation to .....	70.	399
, Standardbred .....	58.	29
, of Standardbreds — specialty panel .....	70.	447
, symposium .....	66.	329
Laminitis, chronic, fatty liver syndrome .....	66.	275
, intra-arterial treatment of, with adrenocorticoid steroids .....	64.	241
Large animal radiography, emphasizing radiographic procedures of the shoulder, hip, etc. in a mature horse ....	67.	233
Laryngeal hemiplegia, diagnosis and results of surgery in .....	64.	185
, clinical diagnosis .....	68.	227
, a theoretical analysis .....	69.	13
Laryngeal ventriculectomy as described by Dr. Pouret, proceedings A.A.E.P. 1966,—modification of technique .....	67.	379
Laryngeal ventriculectomy with stitching of laryngeal sacculles .....	66.	207
Law for veterinarians, potpourri of .....	70.	355
LDH zymogram, clinical application of .....	67.	109
Leptospirosis .....	59.	49
Listeriosis, septicemic, in a colt .....	65.	353
Liver damage, following halothane anesthesia, post-surgical.....	71.	137
, disease, clinical syndrome of .....	64.	113
, fatty, syndrome — laminitis .....	66.	275
Local anesthesia .....	57.	63
Luxation, sacroiliac .....	69.	193
Malpractice by veterinarians .....	70.	13
Management for profit, practice .....	71.	305
Mares and their treatment, problems involving infected .....	58.	101
Measuring of strain in the hoof capsule .....	66.	293

Meconium, retained .....	61.	165
Medial patellar desmotomy .....	63.	239
Medication, modern medicine and testing .....	70.	199
, in Race Horses, controlled .....	64.	25
Metabolism, calcium in equidae .....	56.	5
Method of intravenous anesthesia — a motion picture .....	65.	325
Methods of restraint .....	71.	349
Methoxyflurane anesthesia .....	65.	329
MIP-test for diagnosis of pregnancy in mares .....	68.	53
Modern medicine and testing .....	70.	199
Myoglobinuria, serum enzyme activities with reference to .....	68.	81
My "V" table .....	67.	159
Navicular disease .....	67.	263
